## **SSA (Supra Security Agent) Security Assessment Report**

This report provides a risk assessment based on automated security scanning at the time of analysis. SSA (Supra Security Agent) does not provide guarantees, endorsements, or warranties regarding the security of the assessed assets.

**Time-of-Scan Limitation:** This report reflects the security state at the time of scanning. Security conditions may change over time, and this report does not guarantee future security.

**Independent Due Diligence:** Users must conduct their own independent security review and due diligence. This report is a tool to assist in security assessment but should not be the sole basis for security decisions.

**No Formal Audit:** This report is not a formal security audit. It is an automated analysis based on rule-based scanning and should be considered alongside other security measures.
